Mystery

“Centering Prayer helps
to heal the wounds
of the human condition”

God, who began a good
work in you, will bring it
to completion

Philippians 1:6

A reflection on the various stages
of spiritual growth, tapping the
wisdom and insights of several
authors (*P. Chardin, R. Rohr,
J. Piaget, E. Erickson, J. Fowler*),
we will journey through topics of
Evolutionary Thinking, Dualisms,
the True and False Self.

Ambiguity

“Silence is the language
of God; all the rest
is a bad translation”

Be still, and know
that I am God

Psalms 46:10

An immersion into the arts —
music, literature, the visual...
stopping to simply bask in
beauty, and allow ourselves to
be saturated with God-grandeur.

Paradox

“How much of God’s
reality can you accept
at this point?”

I have much more
to tell you, but you
cannot bear it now.

John 16:12

Reclaiming our identity in the
Cross of Jesus Christ, asking the
tough questions that oftentimes
do not have answers.
