

LIVING FLAME II
A National Formation Program

Hosted by Contemplative Outreach of Louisville

This follow up series to Living Flame I is seven full-day offerings of in-depth spiritual study presented over a seven month period by commissioned presenters of various national Service Teams of Contemplative Outreach, Ltd.

The Living Flame program is presented in one-day retreat experiences, with ample time for presentations and group discussion, combined with Centering Prayer and silence. Participation in this program is for the entire series.

Familiarity with the books of Thomas Keating, OCSO and an established Centering Prayer practice will allow full participation in the Living Flame II program, without having participated in Living Flame I. Please contact (below) Judy or Jan for further information.
